Alcor Life Extension Foundation, Inc. and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2001

NOTE 1 - BACKGROUND AND SUMMARY OF ACCOUNTING POLICIES

Alcor Life Extension Foundation, Inc. (Alcor) is a California non-profit organization formed under Section 501(c)(3) of the Internal Revenue Code. Alcor conducts its primary operations in Scottsdale, Arizona. Alcor is funded primarily through contributions and membership dues from its members, and rental income.

Alcor's primary exempt purpose is research and education in the science of cryonic storage and cryonic suspension.

The significant accounting policies of Alcor follow:

Principles of Consolidation: The consolidated financial statements for the year ended December 31, 2001 include all accounts of Alcor Life Extension Foundation, Inc. and its subsidiaries, the wholly-owned Alcor Patient Care Trust (the Trust) and the 65.22% owned Cryonics Property, LLC. All significant intercompany transactions have been eliminated.

Basis of Presentation: Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, Alcor is required to report information regarding its consolidated financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Alcor has no permanently restricted net assets at December 31, 2001.

Use of Estimates: In preparing financial statements in conformity with U.S. generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents: For purposes of the statement of cash flows, Alcor considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Investments: Investments are recorded at market. Unrealized gains and losses are accounted for as investment income. For purposes of the statement of cash flows, certain investment accounts of the prior year have been reclassified to cash and cash equivalents.

NOTE 1 - BACKGROUND AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Property and equipment: Property and equipment costing \$500 or more are recorded at cost, or at estimated fair value at the date of gift if donated.

Depreciation and amortization are computed using the straight-line method based on estimated economic lives of the assets as follows:

Building and improvements	39-40 years
Equipment	5-20 years
Automobile	5 years

Prepaid suspensions and standby/Deferred suspension revenue: Prepaid suspensions and standby services are recorded as deferred revenue. Alcor recognizes suspension and standby revenue as the services are performed.

Deferred patient care reserve: Upon suspension of a patient, a specified amount of the suspension revenue is deferred and invested into the Alcor Patient Care Trust to be used for patient re-animation, at which time Alcor would recognize the revenue.

Restricted and Unrestricted Revenue: Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Advertising: Advertising costs are expensed as incurred.

Income taxes: Alcor and the Alcor Patient Care Trust are exempt from federal income taxes as an organization other than a private foundation under Section 501(c)(3) of the Internal Revenue Code.

Cryonics Property, LLC will file its income tax return on the accrual basis as a partnership for federal and state income tax purposes. As such, Cryonics Property, LLC will not pay income taxes, as any income or loss will be included in the tax returns of the individual members. Accordingly, no provision is made for income taxes in the financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2001

NOTE 2 - CONCENTRATION OF CREDIT RISK

Alcor maintains cash balances and cash equivalents at several financial institutions. Checking and savings balances are insured by the Federal Deposit Insurance Corporation up to \$100,000. At December 31, 2001, Alcor had bank deposits of \$36,139 in excess of its insured level. Alcor has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk concerning cash and cash equivalents.

NOTE 3 - INVESTMENTS

Investments consist of corporate and government bonds, shares of stocks and mutual funds. These investments are stated at market value at December 31, 2001. Interest income and loss on investments for the year ended December 31, 2001 were \$35,036 and \$211,093, respectively.

NOTE 4 - PREPAID SUSPENSIONS AND STANDBY

Alcor must maintain prepaid suspensions and standby services in separate accounts for each member, per the suspension contracts. Alcor's bylaws require that the accounts be invested conservatively in depositories insured against loss by an agency of the federal government. At December 31, 2001, Alcor had invested the monies received for prepaid suspensions and standby services in certificates of deposit at financial institutions insured by the Federal Deposit Insurance Corporation up to \$100,000 per account. Alcor had certificates of deposit in excess of federally insured limits of approximately \$18,335. As of January 1, 2001, Alcor instituted a new policy requiring new members to name Alcor as beneficiary of any life insurance policy the member uses to fund their suspension. Policies can be returned to members at any time. The following is a summary of those investments and life insurance policies.

	Total Invested	Amount insured by FDIC
Certificates of deposit	\$ 304,772	\$ 286,437
Insured deposit accounts	<u>626,820</u>	<u>626,820</u>
Total member investments	\$ 931,592	<u>\$ 913,257</u>
Cash surrender value of member life insurance policies	<u>742,390</u>	
Total prepaid suspensions and standby	<u>\$ 1,673,982</u>

NOTE 5 - DEFERRED PATIENT CARE RESERVE

Alcor has a financial obligation to fund the maintenance and re-animation of members who have undergone cryonic suspension. The actual amount of future expenses required to meet this obligation is unknown due to the uncertainty of how long Alcor must maintain its members in cryonic suspension and the uncertain costs of re-animation, if re-animation becomes scientifically and legally possible in the future.

NOTE 6 - CAPITAL LEASES

The cost of equipment acquired under capital leases was \$74,470 as of December 31, 2001. Amortization of assets held under capital leases is included with depreciation and amortization expense. Accumulated amortization was \$26,438 at December 31, 2001.

The following is a schedule of future minimum lease payments under capital leases, with the present value of net minimum lease payments as of December 31, 2001.

Under the terms of this agreement, AER assumes payroll administration and human resource responsibilities for Alcor, and as a result, Alcor's staff work as employees of AER.

NOTE 9 - RELATED PARTY TRANSACTIONS

Two member's of Alcor's board of directors are also on the board of directors of BioTransport, Inc. BioTransport, Inc. used Alcor's personnel, facilities, and equipment in its operations. In exchange for these services and expenses, BioTransport, Inc. transferred \$49,177 in medical supplies to Alcor.

NOTE 10 - ACQUISITIONS

Alcor Patient Care Trust increased its ownership in its subsidiary, Cryonics Property, LLC, from 56.52% to 65.22%.
